

Cardio Club has two clubs in Jönköping. One is next to ICA Maxi at Herkulesvägen 1 and the other is in the new round tower in Munksjöstaden (near Högskolan). Our clubs are new and fresh and both clubs have private showers for your comfort.

NB! If you sign up for 12 months you will get a free 55 min session with one of our experienced coaches and free parking at both clubs.

299 SEK/month (Normally: 439 SEK/m)

Start Package including a RFID-key and a padlock with code is mandatory: **295 SEK.**

You have to be 20 years old to train at our clubs. If you are under 20 you can contact the Reception at Munksjöstaden and they will tell you what alternative we can offer there.

We are offering a quiet and nice environment with new machines of high quality and a well-educated and friendly staff. We offer 60 classes every week (mostly at the club near ICA Maxi). Our ten coaches can help you to achieve your target regardless if it's to lose weight, gain muscles or to run a Marathon.

If you have a Swedish account, we will use autogiro and the money will be drawn from your account at the end of the month (for the next month). If you don't have an account, you just pay at the reception desk for at least three months in advance. You have to show a valid Student Identification to get these prices.
